Summary

I am an aspiring developer currently enrolled in the DU Programming Bootcamp. I am excited to learn new skills during my time in the program and look forward to receiving my certificate on June 13, 2022. My programming skills include experience with: HTML, CSS, JavaScript, API's, and Node. My professional history includes a decade of experience in education. My time in that field helped me develop skills such as communication, teamwork, crisis management, flexibility, and professionalism. I look forward to hearing from you!
